

On March 14 we will find out
where the money went ????

In our continuing effort to follow the progress of the \$800 million dollar General Obligation School Bond we invited representatives from the Broward County School Board to give us a progress report. SMART stands for investments in Safety, Music, Art, Athletics, Renovations and Technology.

Since the last SMART Update, eight new SMART projects have been initiated, bringing the **total number of facilities projects to 879 in various phases** of the SMART process. This marks an investment of **\$614 million as of January 31, 2017**. The SMART program remains on track to be completed within five to seven years, as originally promised.

The latest updates on the expenditure of SMART funds go to

Medical Marijuana Coming to Fort Lauderdale

City Staff will present the Proposed Medical Marijuana Ordinance. While the State Legislature is still debating the Operational Regulatory Rules for medical marijuana dispensaries, the Cities are preparing other criteria for the location of this new land use.

ABOUT THE COUNCIL

The Council of Fort Lauderdale Civic Associations is a strong organization made up of civic leaders in our city. Each Member Association sends a Representative to participate on the Council. Meetings are held monthly at City Hall every second Tuesday at 7:00 p.m. in the Commission Conference Room. Everyone is welcome.

CFLCA addresses the issues and concerns of the Membership, as well as provides informative speakers on City and County hot topics. Members participate in committees that tackle the pressing issues facing our city. Decisions are brought to the Mayor, City Commissioners and City Manager with the hope of directing them in ways that ensure the needs, prosperity and health of all our member associations. Won't you please join us at our upcoming meeting?
