Subject: BCT Community Bus Service Funding Application

Dear Ms. Cross,

The Board of Directors of the [Council of Fort Lauderdale Civic Associations](#) supports the City of Fort Lauderdale's application to Broward County Transit (BCT) Community Bus Service program for the additional funding being made available by the County. The City's proposal is consistent with our commitment to improving transportation options for our residents and businesses.

In particular, thousands of local residents, workers and visitors use the Sun Trolley to access local community resources, shopping, recreation and to connect to Broward County Transit bus routes or the Tri-Rail station every month.

Funding for the City's TMA Sun Trolley Community routes will allow for the City/TMA to optimize its funding resources to improve the level of TMA operations for our neighbors and guests.

Sincerely,

A handwritten signature in cursive script that reads "Colleen Lockwood".

Colleen Lockwood, President
