Meet the First Responders

Jermaine Frazier is the new Battalion Chief/Emergency Manager for Fort Lauderdale Fire Rescue. Gregory Holness is the District Chief, Port Everglades Command Department of Fire Rescue. They are some of the people who help keep disasters from happening and respond when they do happen. Meet them and learn how they work to keep your family and neighbors safe. By conducting training exercises and mock disaster drills they maintain the readiness and expertise of our first responders. When a disaster strikes, what is the plan and how do they communicate that information to us? They have at their command impressive personnel and material resources. Do you have questions about chemical tankers, petroleum spills, chlorine leaks, and high-rise fires..? Just ask.

ABOUT THE COUNCIL

The Council of Fort Lauderdale Civic Associations is a strong organization made up of civic leaders in our city. Each Member Association sends a Representative to participate on the Council. Meetings are held monthly at City Hall every second Tuesday at 7:00 p.m. in the Commission Conference Room. Everyone is welcome.

CFLCA addresses the issues and concerns of the Membership, as well as provides informative speakers on City and County hot topics. Members participate in committees that tackle the pressing issues facing our city. Decisions are brought to the Mayor, City Commissioners and City Manager with the hope of directing them in ways that ensure the needs, prosperity and health of all our member associations. Won't you please join us at our upcoming meeting?
