

December 13 is the Annual Holiday Meeting/Party

***Santa may still
be looking for
the Party but we
know it starts at
6:30 PM on the
8th Floor of City
Hall***

At the end of each year we get together to celebrate the Holiday (whichever holiday you want) Season, and look back on what we accomplished in the past year. This was the year that we realized climate change will require real commitment and capital expenditures. We will find solutions by working together so let's all **bring a dish to share**, celebrate with our friends and plan for next year.

ABOUT THE COUNCIL

The Council of Fort Lauderdale Civic Associations is a strong organization made up of civic leaders in our city. Each Member Association sends a Representative to participate on the Council. Meetings are held monthly at City Hall every second Tuesday at 7:00 p.m. in the Commission Conference Room. Everyone is welcome.

CFLCA addresses the issues and concerns of the Membership, as well as provides informative speakers on City and County hot topics. Members participate in committees that tackle the pressing issues facing our city. Decisions are brought to the Mayor, City Commissioners and City Manager with the hope of directing them in ways that ensure the needs, prosperity and health of all our member associations. Won't you please join us at our upcoming meeting?

We are so pleased to announce the first recipient of the "Celebrate Success Award." Laura Croskeno, Past President of the Middle River Terrace Civic Association will be honored for her relentless campaign to protect the health of our children. Her passion for "Smoke Free" parks and beaches resulted in the City's adopting a pilot program to install voluntary no smoking signs in five playgrounds in our neighborhood parks. CFLCA passed a resolution supporting her efforts and the City Commission adopted the program. Thanks also to the Civic Associations who volunteered to participate in the program Victoria Park, Imperial Point, Flagler Village and Tarpon River.
