- Alcohol Ordinance as of 2/27/19 this will be on the 3/5/19 commission agenda- K. Grant received feedback after GM and stated thx/adding to memo. Board indicated may want to attend workshop meeting that date. **Reminder that to date we have had conversations but not position.**

## FOR THE GOOD OF THE COMMUNITY

- Discussion regarding item not on agenda “proposed gun range in district 2”
  - No one present has seen any documents or been contacted, rumor based
  - Some members express personal opinion and indicate personal steps they may take
  - Christina C. reminds not appropriate to take a position on a development as we are spread across all districts. Request that if we learn something due to DRC case and want to get involved we tailor what we focus on. For example, a city wide ordinance but never a specific development. All agree.
