- Comp plan feedback final review- Marilyn hands out final draft. P&Z meeting 3<sup>rd</sup> Weds/November so if we want approved by membership needs to be raised @ meeting. 6 things to bring to attention: affordable housing, level of service of parks, level of service for roads @ level D, tree canopy efforts by Ben have already outpaced how the comp plan covers, no commitment of adopting green building in ULDR, etc., MM suggest presenting to GM and getting motion to send communication. Not strong enough, want higher standard of what is in the plan not saying start again. Motion to add to agenda Vote to send Comp. Plan observations to PZ for consideration all in favor. Final draft to be done.
  - STAN NOVA MEETING REFERENCES FOR DOWNTOWN MASTER PLAN notes no suggestions from suggestion were mentioned. @ PZ all wanted deferred and Anthony told Stan that comment was not possible b/c commission advised to keep as is. Sent back to commission to clarify direction and consider community input. Glassman & Trantalis told Stan they don't know about it. Leads to Stan Q- is Comp. plan at risk of same thing? MM replies No.
