Dear Mr. Desai,

The Council of Fort Lauderdale Civic Associations, Inc. (“CFLCA”) is a coalition primarily of Civic and Homeowner Associations recognized by the City of Fort Lauderdale. The CFLCA maintains a “focus on the issues relating to preservation of the present and future welfare of the City of Fort Lauderdale and its neighborhoods and citizens, be proactive and reactive to those issues, communicate any recommendations to the proper authorities, strive to every improve communication and create a stronger partnership between City Government and the neighborhoods.”

On February 24, 2020 the CFLCA held a Board of Directors Meeting at the Fort Lauderdale City Hall. Quorum requirements were met.

The proposed sites for the Fort Lauderdale Federal Courthouse were discussed and materials from the 2/18/2020 GSA public information meeting were shared with Board Members in attendance. Upon close of the discussion and after a vote it was established that:

The CFLCA Board of Directors *unanimously supports* the construction of a new Federal Courthouse in the City of Fort Lauderdale. At this time the CFLCA Board of Directors will not issue a position on any specific location. We are hereby requesting a copy of the environmental assessment so it can be considered in advance of rendering a position on possible sites. We also request notice of any additional meetings or public feedback windows.

Thank you for considering the feedback of the CFLCA.

Respectfully,

A handwritten signature in cursive script that reads "Colleen Lockwood".

Council of Fort Lauderdale Civic Associations, Inc.
