* Drafted statement from Inclusivity Committee led by Michael Albetta shared on 2/13/21:

CFCLA is committed to cultivating and preserving a community of inclusion, connectedness, and equity. We can grow and learn better together with a diverse team of board members. The collective sum of individual differences, life experiences, knowledge, innovation, self-expression, and talent that our members invest in their communities represents not only part of our mission, but our reputation and achievements as well. In recruiting for our Board, we welcome the unique contributions that each member brings in terms of their education, opinions, culture, ethnicity, race, sex, gender identity and expression, nation of origin, age, languages spoken, veteran's status, color, religion, disability, sexual orientation and beliefs.

In turn, our inclusive membership inspires us to try new things, speak openly, and be bold. Our differences bring us together in ways that help CFLCA stand out. Our inclusiveness empowers all of us to connect, belong and grow in Fort Lauderdale.
