Thank you to District Reps for participating in the interviews process for the new Ft. Lauderdale Police Chief scheduled for Sat June 12, 2021.

Mary presented her toolkit video which will provide useful tips for local HOA's in establishing their new organization.

- **City updates, Chris Lagerbloom**- Working toward summer and school is out. We're ready for storm season. Questions to ponder about under ground transportation . How do we get the train under the new river? How do we move people from east and west? How do we connect downtown to the beach? Is the questions for The future of transportation and technology. There are 8 finalist for the police chief position with different forums planned this weekend. We are working on the budget with no recommendation for millage rate increase. The 3 story structure for a new police department building is in the works. No firm updates for the P3 proposal for the one stop shop. We are advised to have no hybrid meetings we might see a change. per Chris.
- **Covid update, Dr. JJ Rajter** - Things are going well with 50% of the population being fully vaccinated. No more public stats is not a good idea per Dr JJ. Governor Desantis issued an executive order prohibiting local governments from implementing further COVID restrictions. Cruise ships are not requiring passengers to be vaccinated. Please be careful!!!
- **Overview of City's Budgeting Process, Budget Director Laura Reece** - See presentation handout on our website : Engage in the budget process: Continue to invite and involve OMB in CFLCA. Questions: What is a full service city? Police and fire pension deficits will cost millions of dollars beyond salaries?
- **NUSA Conference Update** - CFLCA Board Member Dennis Ulmer Dennis will present the NUSA update at a later date.
