PROPERTY

Sec. 8.09. Leases for more than one year and not more than fifty years.

City is hereby empowered to lease or concession to private persons, firms or corporations, for nonpublic purposes, any lands, improvements, public buildings, recreational parks or facilities, golf courses, public beaches, public utility plants, or any public works or public property of any kind including air space over public property owned or operated by the City of Fort Lauderdale, and not needed for governmental purposes, whether used in a governmental or in a proprietary capacity, for a period of not more than fifty (50) years, plus such length of time, not to exceed five (5) years, determined by the city commission to be reasonably necessary to complete construction of the improvements proposed for the demised premises by such persons, firms or corporations. Each lease shall be authorized only after public hearing, under authority of a resolution duly adopted at a meeting duly held at a designated adjourned meeting, under the following conditions, to wit:

- (a) One (1) of the conditions for leasing such public property may be obligations of the lessee to construct thereon buildings or improvements to be used in connection with an existing facility, or to construct improvements on said property, if same is vacant, and in a manner not detrimental or harmful to the operation of the proposed facility. In no event shall the fee title of the city be subordinated except upon terms and conditions as approved by the city commission.
- (b) The city commission shall adopt a resolution at a regular meeting of the city commission specifying the facility to be leased, described by metes and bounds, or by reference to a recorded plat, if any, and giving its location by street number, if any, and a description of all improvements located upon the land, and shall declare how said land and improvements have been used since same have belonged to the city and the reasons for offering such land and improvements for lease.
- (c) At any time, not less than thirty (30) days nor more than sixty (60) days, after the adoption of such resolution the land and improvements shall be offered upon competitive conditions for lease as desired and a notice shall be published by the city in the official newspaper for two (2) issues prior to the date set for receiving such bids for lease, with the first publication not less than ten (10) days before said date of receiving bids and the second publication one (1) week after the first, on which date sealed bids shall be received by the city commission for the lease of said publicly owned lands and facilities. The sealed bids must be accompanied by cash, cashier's check or certified check payable to the city in an amount equal to at least ten (10) percent of the first year's rental. The city commission, in offering such public property or public owned facility for lease, shall set out in said resolution and notice such terms and conditions as deemed pertinent under which said facility will be leased and the

number of years for which said facility shall be leased. The city commission shall consider any and all proposals and accept the proposal which, in its judgment, shall be the most advantageous lease for the city; but the city commission may reject any and all bids. Upon the city commission approving any proposal submitted as provided herein, said proposal shall be accepted by resolution duly adopted, authorizing preparation of the lease, provided a valid referendum petition has not been filed. If before the day advertised for receiving bids for lease of such property, a referendum petition is filed with the city clerk signed by fifteen (15) percent of the registered voters, demanding a referendum election upon the question of leasing such property, no lease shall be executed by the officials of the city until after approved by a majority of the voters participating in such referendum election. Such referendum election shall be called and held as provided in this charter.

- (d) The resolution accepting the bid shall require the preparation of a form of lease for execution, embodying the terms and conditions of the bid and other legal requirements, for submission to the commission at its next regular meeting or at a designated meeting. At least three (3) days before the meeting date, the lease shall be posted on a public bulletin board by the city clerk and each commissioner shall be given a copy of the lease with a covering summary letter, providing, however, that in case of emergency, such procedure may be waived by the affirmative vote of three (3) of the commissioners. The city attorney or city manager shall be required to give a summary of the lease to the public at such meeting which shall be open to the public. Citizens and taxpayers shall have an opportunity to object to the terms and conditions of such lease. If the commission is satisfied with the terms and conditions of such lease, it shall pass a resolution authorizing execution of such lease by the proper officials of the city, upon compliance upon the part of the lessee. Amendment to such lease may be made from time to time by mutual consent, observing the same formality as in the original lease.

Sec. 3.02. Creation, composition and term of commission.

There is hereby created a city commission composed of one (1) mayor and four (4) city commissioners all of whom shall be elected in the manner provided in this charter, shall take office on the first regular meeting day in December following their election, and who, beginning in the year 2020, shall hold office for a term of four (4) years, or until their successors are elected and qualified. The term of the mayor and four (4) city commissioners that commenced in the year 2018 shall last until such time as their successors are elected and qualified as a result of the 2020 election. No person who has been elected to the office of mayor or to the office of city commissioner for three (3) consecutive terms shall be qualified for nomination or election to that office for the succeeding term. This limitation shall apply to terms which commence after the regular election of March 7, 2000. The mayor and the four (4) city commissioners are sometimes referred to herein as commissioners or the city commission.

Sec. 3.06. - Powers vested in commission; limitations.

The legislative powers of the city shall be vested in and exercised by the city commission, and the commission shall have the power to pass ordinances, adopt resolutions, appoint by resolution all appointive officers, boards and those employees specified in this charter as being appointed by the city commission, and exercise all other powers herein provided. All powers of the City of Fort Lauderdale, except as otherwise provided by this charter or by the Constitution of the State of Florida, are hereby vested in the city commission; and except as otherwise provided by this charter or by the Constitution of the State of Florida, the city commission may by ordinance or resolution prescribe the manner in which any powers of the city shall be exercised.

Sec. 3.07. - Not to direct appointment of employees.

Neither the city commission nor any of its members shall direct the appointment of any person to office or employment by the city manager, or in any manner prevent the city manager from using his or her own judgment in selecting those officers or employees which he or she is entitled to appoint or select under provisions of this charter, and the civil service system rules and regulations. Except for the purpose of inquiry, the commission and its members shall deal with the administrative service solely through the city manager, and neither the commission nor any member thereof shall give orders to any subordinates of the city manager, either publicly or privately. Nothing herein contained shall restrict the power of the commission at regular or special meetings by formal motion, resolution or ordinance to establish policies and require compliance therewith by all personnel in the service of the city.

Sec. 3.11. - Regular meetings.

The city commission shall meet regularly at such times as may be specified by ordinance; provided, however, that it shall meet regularly not less than twice each month except that meetings may be eliminated for one (1) month each year to provide for vacations.

Sec. 3.12. - Special meetings—How called.

The mayor or the city manager, may call special meetings of the city commission upon at least six (6) hours' written or e-mail notice to each member, the city manager, city auditor, city clerk, and city attorney, served personally, transmitted by e-mail, or left at his or her usual place of residence. The call notice shall state the general purpose of the meeting. The regularity or validity of any proceedings, taken at any special meeting at which a majority of members of the city commission and city clerk is present, or where written waiver of call and consent in writing is filed, shall not be questioned on account of any omission or irregularity in calling such special meeting.

Sec. 3.14. - Quorum and vote.

A majority of all members of the city commission shall constitute a quorum, but a less number may adjourn from day to day and compel the attendance of absent members in such manner and under such penalties as may be prescribed by ordinance. The vote on any ordinance or resolution shall be taken by "yeas" and "nays" and the vote of each member of the city commission voting shall be entered on the official record of the meeting.

Sec. 3.16. - Circulating petition for an election.

After a demand for an election has been refused, as hereinbefore set out, the committee shall have the right to circulate petitions to obtain the signatures of registered electors of the city, equal in number to fifteen (15) percent of the qualified electors of the city, in order to compel the enactment of such ordinance or amended ordinance in the following manner:

- (a) Within ten (10) days after the demand for an election has been refused by the city commission, the clerk shall prepare a form of petition addressed to the city commission demanding that an election be called in the manner provided by section 3.18 of this charter in order that there may be submitted to the qualified electors of the city at such election the question of enactment by initiative proceedings of the proposed ordinance or amended ordinance. Such petition shall clearly outline the action sought and shall contain a copy of the ordinance proposed for enactment by the committee and shall contain spaces for signatures for electors and a form of affidavit for circulators to sign. All petitions shall be uniform in character and shall contain the names of each of the members of the committee of the petitioners, and designate the chairman thereof.

- (b) The chairman of the committee shall sign a receipt for the form of petition and shall return all signed petitions to the clerk within sixty (60) days from the date of said receipt.
- (c) Each elector of the city signing a petition shall sign his or her name as registered in the office of supervisor of elections of Broward County, Florida, in ink or indelible pencil, shall specify his or her voting precinct and shall place on the petition opposite his or her name the date he or she signed the petition and his or her place of residence in the city. Each counterpart of the petition shall contain appropriate lines for signatures by electors and a form of affidavit to be executed by the circulator thereof, verifying the fact that such circulator saw each person sign the counterpart of the petition, and that each signature appearing thereon is the genuine signature of the person it purports to be, and that such petition was signed in the presence of the affiant on the date indicated.
- (d) All counterparts of the petition shall be assembled and filed with the city clerk as one (1) instrument within sixty (60) days after receipt of such petition by the chairman, and when so filed, the clerk shall determine forthwith from the supervisor of elections if such petitions contain the signatures of electors constituting fifteen (15) percent in number of the registered electors of said city, and when such fact has been determined by report from the supervisor of elections, the city clerk shall submit such petitions and such affidavits to the city commission at its next regular meeting.
- (e) Any elector signing such petition shall have the right to file with the city clerk a demand in writing that his or her name be deleted and stricken from the petition, and upon the filing of such demand the name of such elector shall be stricken by the clerk and not be counted or computed in the total of electors signing the petition. No signature may be stricken after the clerk has certified the total of registered electors to the commission.

Sec. 3.17. - Commission required to take action.

If the certificate of the clerk, so submitted, shows that fifteen (15) percent of the registered electors of the city signed such petition and have not requested that their signatures be stricken or deleted, then it shall be the mandatory duty of the city commission at such meeting at which the clerk's certificate is presented to enact the ordinance in final form, or call an election for the purpose of submitting such proposed ordinance to the votes of the electorate.

At least ten (10) days before any such election the city clerk shall cause such proposed ordinance to be published, in one (1) issue of the official newspaper.

Sec. 3.19. - Ballots.

Ballots to be used when voting upon any such proposed ordinance shall state the title of the ordinance to be voted on and below it the two (2) propositions "For the proposed Ordinance" and "Against the proposed Ordinance." If a majority of the electors voting on any such proposed ordinance shall vote in favor thereof, it shall thereupon become an ordinance of the city, and a part of the "Code of Ordinances of the City of Fort Lauderdale," upon canvass of such votes and proper certification.

Sec. 3.20. - Referendum elections.

Any existing ordinance of the City of Fort Lauderdale, or any section or related sections of the "Code of Ordinances of the City of Fort Lauderdale," including ordinances approved by the electorate, may be repealed or amended, and any intended sale or lease of public property may be approved or rejected by a majority of the electors voting at a referendum election, when such matter is submitted to a referendum by the city commission, upon its own motion or as a result of initiative proceedings. In case of initiative proceedings, when the necessary requirements have been met, and proper petitions bearing the signatures of fifteen (15) percent of the registered electors have been filed, the city commission shall pass a resolution calling for a referendum election to be held under the same procedure as provided in section 3.18 and section 3.19 of this charter.

Sec. 3.21. - Recall.

Any or all of the members of the city commission may be removed from office by the electors of the city in the manner provided for by general law.

Sec. 3.22. - Offenses relating to petitions.

No person shall falsely impersonate another, or purposely write his or her name or residence falsely, in the signing of any petition for initiative, referendum or recall, or forge any name thereto, or sign any such paper with knowledge that he or she is not a qualified elector of the city. No person shall employ or pay another to accept employment or payment for circulating an initiative, referendum or recall petition. Any person violating any of the provisions of this section shall be deemed guilty of an offense and shall, upon conviction, be punished as provided by section 1-6 of the Code of Ordinances.
